PROGRAM CO-CHAIRS

Paul T. Gayes, PhD, is the executive director of *Coastal Carolina University's Burroughs & Chapin Center for Marine and Wetland Studies*. He has received more than \$6 million in research grants from a range of federal and state agencies. He has published on topics ranging from relative sea level change to coastal erosion to impacts of large storms and evolution of coastal systems.

Thomas S. Mullikin is the Principal of *Mullikin Law Firm* and is currently a Research Professor at Coastal Carolina University. He previously served as Associate Director of Law and Policy Doctorate Program at Northeastern University. He has been recognized as a Distinguished Lecturer on climate change at the Illinois' Governors State University and at Loyola University New Orleans.

This program will present a wide-ranging variety of legal issues encountered by coastal users, regulators, and special interest groups. It will offer a detailed overview of the permitting process and ways to resolve problems with competing uses of marine waters. Join our Program Co-Chairs and this outstanding faculty:

- **Clark R. Alexander, PhD**, of the *University of Georgia Skidaway Institute of Oceanography* and is a Professor in the *University of Georgia Department of Marine Sciences*

- **Amy E. Armstrong** of the *South Carolina Environmental Law Project (SCELP)*
- **Colton B. Bowles** of the *U.S. Army Corps of Engineers, Charleston District*
- **Michael Corley** of the *South Carolina Environmental Law Project (SCELP)*
- **M. Richard DeVoe** of the *South Carolina Sea Grant Consortium*
- **Elizabeth Fly, PhD** of the *South Carolina chapter of The Nature Conservancy*
- **Dale Morris** of *The Water Institute of the Gulf*
- **Paul A. Sandifer, PhD**, of the *Center for Coastal Environmental and Human Health at the College of Charleston, School of Sciences & Mathematics*
- **Geoffrey I. Scott, PhD**, of the *Department of Environmental Health Sciences at the University of South Carolina*
- **Tyler L. Sgro** of the *U.S. Army Corps of Engineers, Charleston District*
- **Courtney M. Stevens** of the *U.S. Army Corps of Engineers, Charleston District*
- **Elizabeth von Kolnitz** of the *SC Department of Health and Environmental Control's Office of Ocean and Coastal Resource Management*
